**Subject:** February Board Meeting

Hello David,

We have a board meeting on February 7/8. At this meeting our board will be considering cannabis enforcement items, amendments to our irrigated lands program orders to ensure consistency with a State Board petition order, WDRs and NPDES permits, designating Mule Creek state prison as a small MS4, and an information item on an intensive trash removal effort within a critical watershed for salmon migration. I want to extend an invitation to you to attend our February board meeting as our critical partner in protecting water quality. We also have a number of projects that we need to be discussing with you - I'll be reaching out to schedule some meetings. Thanks again for your support, and I'm glad that you are back. Sincerely,

Adam
